SCHOOL CASH ONLINE SYSTEM

This is a reminder that as of January 1st, 2019, St. Joseph School will be using the School Cash Online system for payment of items and events for your child.

In order for you to be aware of items/events that are available for purchase through the School Cash Online system, you must be signed up with the system and have created an account and attached each of your children who are attending St. Joseph's School. You will then be sent an email from the system when items/events are available for purchase for your child(ren).

If you have not yet signed up with the School Cash Online system, instructions are attached for your review. Please note that both mother and father can sign up and attach their child in the system.
