October 30th, 2018

Dear Parents:

Progress Reports will be going home on November 9th, 2018. The fall progress report card places a strong emphasis on the development of students' learning skills and work habits. Students' achievement of six learning skills and habits will be shown on the front page of the progress report card. These are: (1) Responsibility, (2) Organization, (3) Independent Work, (4) Collaboration, (5) Initiative, and (6) Self-Regulation. The development of these skills and habits will be reported as "excellent", "good", "satisfactory" or "needs improvement" and a large space is provided for teacher comments about students' strengths and areas for improvement.

Ministry policy places an emphasis on teachers using the progress report card to conduct rich discussions and proactive interviews or conferences with parents and/or students in the Fall to help establish a positive tone for the remainder of the year. This progress report card indicates for parents how well their children are progressing in all the subjects and provides an early indication of those subjects where the student may need additional help. For each subject area, teachers will check whether the students are: (1) Progressing With Difficulty, (2) Progressing Well, or (3) Progressing Very Well. Please note: Students in ELKP will receive an Initial Observations Report and interviews are strongly encouraged.
