3 HABITS OF RESILIENT FAMILIES

As parents and guardians, it's important to support children in making character-based choices that develop the skills of Resilience, Confidence and Mental Well-Being.

Many of their choices are being made based on how they feel (anger, sadness, disappointment etc). Since emotions are constantly changing, they are not a reliable place to make all choices from. It's essential to teach children how to move through emotions in healthy ways so they can make choices from a more reliable place - their character.

In this presentation you will learn 3 Habits to coach your children to:

- Make character-based choices.
- Bounce back from tough emotions and challenging circumstances.
- Train their brain to think and act beyond tough emotions.
- Learn healthy ways to release emotions.
