## **BHNCDSB & St. Joseph's Code of Conduct 2022 – 2023**

### ***WE ARE MANY, WE ARE ONE***

*"We, who are many, are one body in Christ, and individually we are members, one of another."  
(Romans 12:5)*

Our Brant Haldimand Norfolk District School Board Code of Conduct and St. Joseph's Code of Conduct is shaped by the Ontario schools Code of Conduct (PPM 128) and promotes the values expressed in the Brant Haldimand Norfolk Catholic District School Board Student Behaviour, Discipline and Safety Policy (200.09). These standards of behaviour apply to all individuals involved in the Brant Haldimand Norfolk Catholic District school Board – students, parents, volunteers, teachers, and other staff members – whether on school property, on school buses, at school or board related events or activities, or in other circumstances (e.g. online interactions), that could have an impact on the school, school board climate and relationships.

We believe that all schools within the Brant Haldimand Norfolk District School Board and in our specific school, St. Joseph's should be a safe, inclusive, accepting and respectful environment for all students, staff, and parents and therefore we will be responsible for actions that harm others. As a board and school community, we will work together to promote positive attitudes and behaviour towards each other and the school that respects our Ontario Catholic Graduate Expectations and our Gospel values.

St. Joseph's, along with the Brant Haldimand Norfolk Catholic District School Board, believes that a safe, inclusive, and accepting environment is accomplished when all community members:

- demonstrate the Gospel values of Jesus including love, reconciliation, hospitality, justice, peace, honesty, and integrity;
- respect the right and dignity of others regardless of their difference;
- respect the rights of others to work in an environment of teaching and learning;
- respect all people; including those in a position of authority;
- show proper care for school property and the property of others; and
- resolve conflict and/or harm in a peaceful, non-violent manner.

#### **Purposes of the Provincial Code of Conduct (which supports School Board & School Code of Conduct) is:**

2. To promote responsible citizenship by encouraging appropriate participation in the civic life of the school community.

Each member of the school community has specific roles and responsibilities in providing a safe, inclusive, and accepting environment, which promotes respect, civility, and academic excellence.

### **School Boards**

School boards provide direction to their schools to ensure opportunity, academic excellence, and accountability in the education system. It is the responsibility of school boards to:

- develop policies that set out how their schools will implement and enforce the provincial Code of Conduct and all other rules that they develop that are related to the provincial standards that promote and support respect, civility, responsible citizenship, and safety;

Wherever possible, boards should collaborate to provide coordinated prevention and intervention programs and services and should endeavour to share effective practices.

All community agencies will shape their work with us out of respect for our Catholic identity and Gospel values.

Police also play an essential role in making our schools and communities safer and may be called upon to investigate incidents in accordance with the Police Protocol co-developed with the Brant Haldimand Norfolk Catholic District School Board.

**PROGRESSIVE DISCIPLINE** (adapted from BHNCD SB Board Policy 200.09)

Progressive Discipline is a whole-school approach that utilizes a continuum of interventions, supports, and consequences to address inappropriate student behaviour and to build upon strategies that promote positive behaviours. In everything that we do in the Brant Haldimand Norfolk Catholic District School Board and St. Joseph's, we are led by our Faith and a conscious effort to model the Beatitudes while responding as a caring Catholic community. It includes a response to misbehaviour which shifts the focus from punitive to corrective and supportive. It also includes a range of responses that include learning opportunities for reinforcing positive behaviour while helping students make good choices in the future. Restorative questions utilized in the event someone has harmed include:

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you need to do to make things right? © IRP Graduate School

For pupils with special education and/or disability related needs, interventions, supports and consequences will be consistent with the expectations in the students' individual education plan (IEP) and /or his/her demonstrated abilities. The principal/vice-principal will also take into consideration all mitigating factors as required by the Education Act.

In some circumstances, positive practices and progressive discipline might not be effective or sufficient in addressing inappropriate student behaviour. In such circumstances, the Board supports the use of progressive discipline consequences up to and including suspension, or expulsion from all schools of the Board (as per the Education Act sections 306 and 310 and reflective of Ontario Regulation 440/20 regarding the Suspension of Elementary School Pupils). More detail can be found within the Brant Haldimand Norfolk Catholic District School Board: Student Behaviour, Discipline & Safety Policy 200.09.

**Range of Responses:**

- Verbal/non-verbal messages from teacher or adult in authority
- Re-location within the classroom or learning environment
- Private conversations with student, to help student to reflect, to develop alternative behaviours
- Collaboration with parent or guardian
- Loss of privileges
- Collaboration with other school personnel (school SERT, support agencies)
- Peer mediation

- Restorative practices or community services
- Suspension (principal/vice principal shall consider mitigating circumstances as per Board Policy 200.9)
- Expulsion (principal/vice principal shall consider mitigating circumstances as per Board Policy 200.9).

On an annual basis, the principal will review the School Code of Conduct for St. Joseph's with staff members. Annually, the Code of Conduct will be communicated to parents/guardians, students, and staff. All staff in dealing with incidents of student misbehaviour; will act in accordance with the definition of progressive discipline and its range of responses. As a staff, we believe that home and school must share the responsibility for teaching and supporting our young students/adults.
