Priority Area	Goals	Key Activities	Indicators of progress
	2.Ensure access to mental health prevention and promotion programs are available and utilized at St. Joseph's for student well-being when/where needed.	Evidenced-based virtual classroom presentations (e.g., CYW, Health Unit) and school presentations (Pending COVID-19 Restrictions) where deemed necessary to support the general age group or needs of many of the students and/or families within that grade or classroom will be utilized as see fit at St. Joseph's.	Conversations with students and families will indicate students feel better equipped to identify and support their mental health needs and access help if needed. <i>Decision Support Tool</i> to be utilized when considering resources from outside the board.
Capacity Building	1.Ensure potential high-risk behaviour of students is properly assessed and supported.	Support ongoing training for staff in the area of NVCI, SAFE TALK and ASIST Training on an as needed basis or by request (as available by the Board throughout the 2021-22 school year).	Students who are having suicidal ideation and self-harm will be connected to help. Families will feel supported with regards to suicide prevention/support. Principal and other trained staff will state an increased comfort and ability to support students/school in times of crisis.
	2. Become better informed to the legalization of recreational cannabis as well as vaping and smoking concerns and long-term health effects.	Continue to educate and support staff in promoting safe and healthy school communities in relation to recreational cannabis, vaping and smoking within classrooms. Use of Health Unit resources/discussions as part of our school collaborative Wellness Plan.	Talks will be age appropriate and relevant with the classroom and students will better understand the impact of early cannabis, vaping and smoking use and their long-term effects. There will be no evidence of use of cannabis, vaping and smoking on school property and at school sanctioned events.
	3.Training for staff to address Safe Schools issues (bullying, abuse, harassment & discrimination) for staff.	Continue professional learning and growth, including bullying recognition and response, will be accessible for St. Joseph's staff.	Staff at all levels will acknowledge more understanding and comfort regarding issues surrounding safe schools. More consistent approaches and practices will be practiced.
	4. Implement the practices that are within the revised Emergency Response Binder as required.	Revised Emergency Response Binder will be shared & reviewed with staff for planned implementation during 2020-21 school year.	In the event of emergencies, the Emergency Binder material will be followed. Revised Emergency Response Binder informs school practices and procedures.
	5. As a school, we will participate in Bullying Awareness & Prevention Week	Daily prayers & reflections will take place as well as classrooms utilizing supports/read alouds and activities during the week of Bullying Awareness in November.	Staff and students will acknowledge more understanding of what it means to live as joyful Disciples in a peaceful, inclusive, respectful community as well as a community of kindness. This new gained knowledge
